

National Careers Service

Getting the right careers advice is so important, that's where we can help.

Our careers advisers are available FREE, for appointments to adults 19+ in the Bristol, Somerset, Devon & Cornwall areas.

We can give you individual advice about applying for work and help you make the right choices about learning and employment.

Our advisers are available for face to face appointments at local community venues

Learning Outcomes

- General Careers Advice
- Look into the availability of courses and funding
- Discuss volunteering opportunities
- Complete a Skills Health Check & Lifelong Learning Account & register clients onto Universal Jobmatch
- Create both covering and speculative letters
- Help with interview Techniques
- Create an Action Plan to enable client to carry out all agreed actions.
