

## Principles of COSHH

**Awarding Body:** CIEH

**Level:** Level 2 Award

This qualification complements the CIEH level 2 Award in Health & Safety in the Workplace, by introducing the candidate to the inherent risks in substances and the controls available.

### Who needs this qualification?

Designed for those responsible for the Control of Substances Hazardous to Health (COSHH) at work, as well as employees who use hazardous substances in manufacturing, cleaning, healthcare, transport, utilities and offices.

### Learning Outcomes

- Identify the hazards associated with substances
- Identify the risks and controls available to deal with the substances
- Identify what to expect from a COSHH assessment

### Why is this training important?

This Qualification will prepare employees to contribute to the safer use of hazardous substances in cooperation with their managers and supervisors.
